All About Career Resource Cell

The Career and Corporate Resource Cell (CRC) at AAFT serves as a bridge between academia and industry, facilitating experiential learning, industry exposure, and career opportunities for our students.

Committed to nurturing industry-ready professionals, CRC plays a pivotal role in enhancing the employability and competitiveness of our graduates. We understand the importance of practical experience and industry insights in shaping well-rounded professionals.

CRC works tirelessly to provide students with opportunities for internships, live projects, industry visits, workshops, and guest lectures by eminent industry practitioners. Through these initiatives, students gain real-world exposure, develop industry-relevant skills, and build valuable networks.

The CRC at AAFT is strategically structured into two distinct verticals: Training and Placement. This bifurcation ensures a comprehensive approach towards nurturing and preparing students for their future careers.

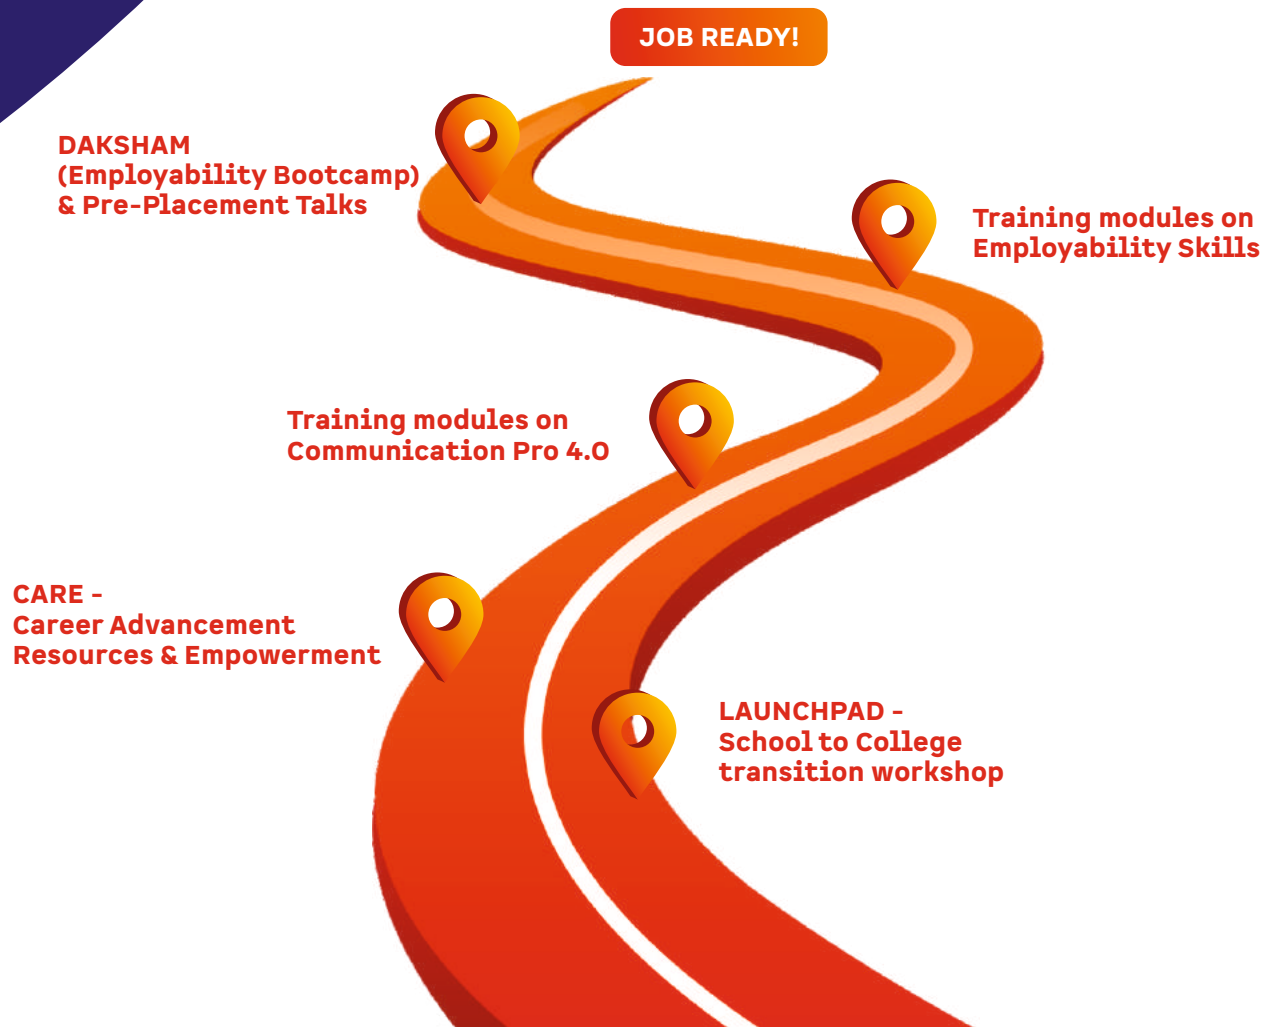

1. TRAINING ROADMAP - THE EDGE VERTICAL

The EDGE Program within the Career Resources Cell (CRC) at AAFT focuses on comprehensive training and development for students. It equips them with essential employability skills, communication proficiency, industry awareness, and market readiness, aligning them with global industry needs. EDGE plays a prominent role in enhancing students' career prospects and empowering them for impactful careers.

2. Career Advancement, Resources and Empowerment (CARE)

Introducing CARE (Career Advancement Resources & Empowerment), the first module under EDGE, designed to amplify employability in just 12 hours. CARE is on a mission to enable students for impactful career with career opportunities, master essential skills, and craft a compelling personal brand, ensuring you stand out in the competitive global landscape.

Here's what you'll learn in CARE

3. DAKSHAM - The Employability Bootcamp

The Career Accelerator Bootcamp is a 2-day intensive employability training designed for outgoing batches. Its objective is to equip participants with essential skills and knowledge to enhance their employability prospects. The program focuses on practical skills, personal development, and interview preparation, enabling participants to succeed in their job search and career advancement. In the last DAKSHAM session, nine students secured internship or employment opportunities directly through connections made during the boot camp. This real-world exposure and networking are crucial in shaping students' career trajectories.

Objectives of DAKSHAM:

Industry-led workshops for manoeuvring the professional journey ahead...

Skill Enhancement: DAKSHAM aims to enhance students' employability skills, focusing on communication, problem-solving, teamwork, and professionalism.

Industry Insight: The boot camp allows our students to gain firsthand knowledge about industry trends, challenges, and expectations.

Ultimate experiential guidance by the AAFT Alumni, who had once walked the path...

Networking and Mentorship: DAKSHAM facilitates meaningful networking opportunities between students, alumni, and industry professionals. These interactions provide mentorship and guidance.

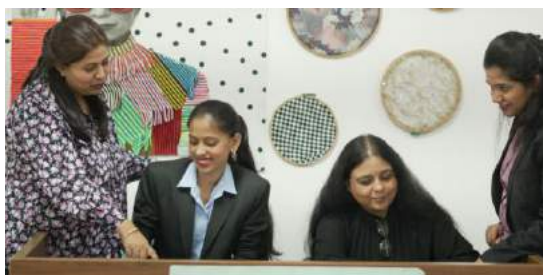

***Simulated panel interviews
to churn out the best from each individual...***

Confidence Building: The boot camp is structured to boost students' confidence in various aspects, including interview skills, resume building, and personal branding. Simulated interviews and real-time feedback develop confidence and Presentation skills.

Holistic Development: The event fosters resilience, adaptability, and a growth-oriented attitude essential for long-term success.

**TRAINING
& PLACEMENTS**

Complementing the Training vertical, the Placement vertical of the CRC at AAFT is dedicated to facilitating seamless transitions from academia to industry through strategic partnerships, networking opportunities, and career placement services. Leveraging its extensive network of corporate alliances and recruiters, the Placement vertical provides personalized guidance, internship placements, and job opportunities matching students' skills, interests, and aspirations.

INDUSTRIAL VISITS

We enrich our students' learning experience through organizing industrial visits. These excursions provide invaluable real-world exposure, allowing students to observe and understand industry operations, business processes, and corporate culture firsthand. By interacting with professionals and witnessing management practices in action, students gain practical insights that complement their academic knowledge. These visits not only enhance learning but also help students build industry connections and better prepare for their future careers.

MASTERCLASSES & INDUSTRY LEADERSHIP PROGRAMS

We prioritize connecting students with industry leaders through regular masterclasses and leadership programs. These training workshops feature esteemed professionals sharing their insights, experiences, and expertise on current trends and challenges in the industry. Our industry speakers provide students with unique perspectives, enhance their understanding of real-world business dynamics, and inspire innovative thinking. This direct interaction with industry experts not only enriches the academic experience but also helps students build valuable networks and gain practical knowledge essential for their future careers. Join us to benefit from this dynamic learning environment.

INDUSTRY-ACADEMIA ALLIANCE

INDUSTRY DEANS

Anthony D'Souza

Anthony D'Souza, a prominent figure in Bollywood, has over 25 years of experience as a writer, director, and producer, leaving a significant mark on Indian cinema.

Rina Dhaka

Rina Dhaka is renowned for her innovative designs blending traditional and modern elements. Over decades, she has garnered global acclaim and numerous accolades, including the Rajiv Gandhi Excellence Award and Yuva Rattan Award.

Sunita Kohli

Discover design brilliance at AAFT with Ms. Sunita Kohli, a Padma Shri awardee, leading a paradigm shift in interior design education as the Industry Dean for our Interior Design programs.

Kaveree Bamzai

Kaveree Bamzai, a journalist and author with over three decades of experience, has written notable works including 'The Three Khans,' 'The Emergence of New India,' 'No Regrets: The Guilt-Free Woman's Guide to a Good Life,' and 'Bollywood Today.'

Charuvi Agarwal

Charuvi Agrawal, co-creator of "The Legend of Hanuman" and founder of Charuvi Design Labs, is renowned for her animation and installation art. Recognized by the Limca Book of Records, she was also honored by Coca-Cola as a transformative emerging artist.

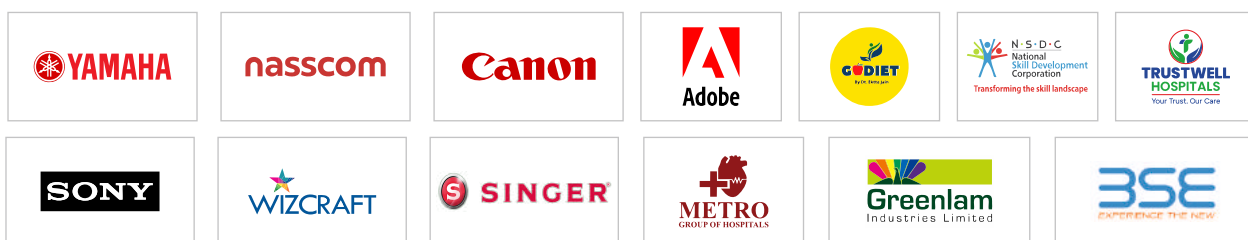

Rohit Chawla

Rohit Chawla, a contemporary photographer, is known for his iconic images that have graced prestigious publications and exhibitions worldwide. Represented by the Tasveer Gallery, he also serves as Leica Cameras' Brand Ambassador.

INDUSTRY ALLIANCES FOR EDUCATIONAL INNOVATIONS

Our industry alliances propel student learning, providing real-world exposure through masterclasses led by industry veterans, hands-on lab and field visits, and access to state-of-the-art equipment. These collaborations empower students to grasp the latest trends, acquire valuable insights, and build professional networks, ensuring they are job-ready upon graduation.

ALUMNI ENGAGEMENT

NAVIGATING SUCCESS: LESSONS FROM OUR ALUMNI

Our distinguished alumni have achieved remarkable success in their fields. Through their experiences, they have gained valuable wisdom that goes beyond academic learning. At alumni insights, they generously share experiences on resilience, adaptability, and seizing opportunities. Their journeys inspire the next generation of achievers...

AAFT HOMECOMING

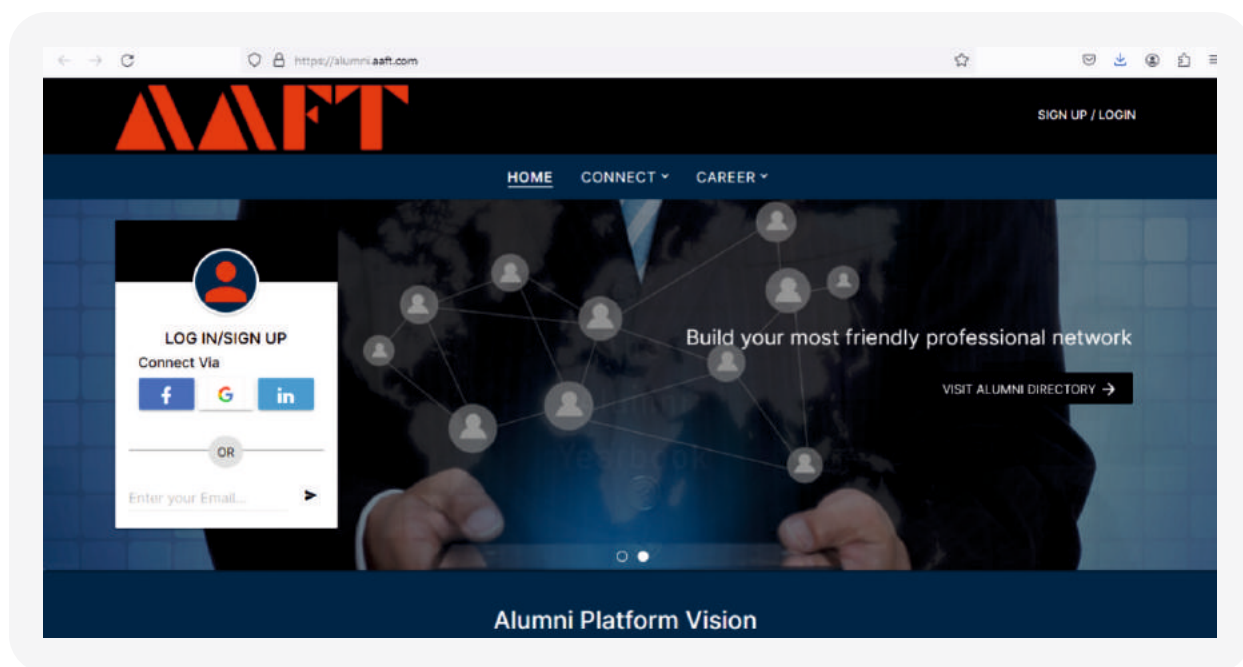

The reunion is a gathering of passed-out students of an institution and it is a place where the institution feels proud to see its successful alumni.

ALMASHINE

Lifelong Connections, Celebrating Legacies

A networking portal for alumni connections nurturing the bond between students of yesteryear batches and alma mater. We publish the achievements and milestones achieved by our alumni.

AADAAN PRADAAN

Free Courses from Nasscom (Courses from Nasscom, AWS, Cisco)

Mentorship Program - Become a mentor or a mentee. A mentoring program designed to pair experienced individuals with less experienced ones to provide guidance, support, and knowledge transfer.
